Has the mathematical ability to handle required calculations. Has knowledge of modern office practices and technology, including the use of computers for data processing and records management.

Quality of Work: Maintains high standards of accuracy in exercising duties and responsibilities. Exercises immediate remedial action to correct any quality deficiencies that occur in areas of responsibility. Maintains high quality communication and interaction with internal and external entities with whom the position interacts.

Quantity of Work: Performs described Essential Functions and related assignments efficiently and effectively in order to produce quantity of work which consistently meets established standards and expectations.

Dependability: Assumes responsibility for completing assigned work. Completes assigned work within deadlines in accordance with directives, policy, standards and prescribed procedures. Maintains accountability for assigned responsibilities in the technical, human and conceptual areas.

Attendance: Attends and remains at work regularly and adheres to policies and procedures regarding absenteeism and tardiness. Provides adequate notice to higher management with respect to vacation time and leave requests.

Initiative and Enthusiasm: Maintains an enthusiastic, self-reliant and self-starting approach to meet job responsibilities and accountabilities. Strives to anticipate work to be accomplished, and initiates proper and acceptable action for the completion of work with a minimum of supervision and instruction.

Judgment: Exercises analytical judgment in areas of responsibility. Identifies issues or situations as they occur and specifies decision objectives. Identifies or assists in identifying alternative solutions to issues or situations. Implements decisions in accordance with prescribed and effective policies and procedures and with a minimum of errors. Seeks expert or experienced advice where appropriate and researches issues, situations and alternatives before exercising judgment.

Cooperation: Accepts supervisory instruction and direction and strives to meet the goals and objectives of same. Questions such instruction and direction when clarification of results or consequences are justified, i.e., poor communications, variance with established policies or procedures, etc. Offers suggestions and recommendations to encourage and improve cooperation intra- and inter-departmentally.

Relationships with Others: Shares knowledge with managers, supervisors and co-workers for mutual benefit. Contributes to maintaining high morale among all employees. Develops and maintains cooperative and courteous relationships inter- and intra-departmentally, and with external entities with whom the position interacts. Tactfully and effectively handles requests, suggestions and complaints in order to establish and

maintain good will. Emphasizes the importance of maintaining a positive image.

Coordination of Work: Plans and organizes daily work routine. Establishes priorities for the completion of work in accordance with sound time-management methodology. Avoids duplication of effort. Estimates expected time of completion of work elements and establishes a personal schedule accordingly. Attends required meetings, planning sessions and discussions on time. Implements work activity in accordance with priorities and estimated schedules.

Safety and Housekeeping: Adheres to all established safety and housekeeping standards. Ensures such standards are not violated.

Planning: Plans, coordinates and uses information effectively to enhance activities and production. Knows and understands expectations regarding such activities and works to ensure such expectations are met. Develops and formulates ways, means and timing to achieve established goals and objectives. Effectively and efficiently organizes, arranges and allocates manpower, financial and other designated resources to achieve such goals and objectives.

Organizing: Efficiently organizes own work and that of subordinate staff. Ensures that personnel understand what results are expected of them, and that each is regularly and appropriately informed of all matters affecting or of concern to them.

Staffing: Works with upper management, where appropriate, to select and recommend employment of qualified personnel. Personally directs the development and training of personnel under charge, ensuring their proper induction, orientation and training.

Leading: Provides a work environment which encourages clear and open communications. Has a clear and comprehensive understanding of the principles of effective leadership and how such principles are to be applied. Provides adequate feedback to personnel under charge concerning their performance. Commends and rewards personnel under charge for outstanding performance, and takes timely and appropriate disciplinary action as necessary. Exercises enthusiasm in influencing and guiding others toward achievement of established goals and objectives.

Controlling: Provides a work environment which is orderly and controlled. Coordinates, audits, and controls manpower and financial resources efficiently and effectively. Coordinates, audits, and controls the utilization of materials and equipment efficiently and effectively. Has a clear and comprehensive understanding of established standards, methods and procedures.

Delegating: Assigns duties as necessary and/or appropriate to meet goals, enhance abilities of personnel under charge, build their confidence and assist them in personal growth. Has confidence in personnel under charge to meet new or additional expectations.

Decision Making: Exercises discretion and judgment in developing and implementing courses of action affecting functions under charge. Recognizes when a particular policy, procedure or strategy does not foster the desired result, and moves decisively and explicitly to develop and implement alternatives.

Creativity: Regularly seeks new and improved methodologies, policies and procedures for enhancing the effectiveness of functions under charge. Employs imagination and creativity in the application of duties and responsibilities. Is not adverse to change that supports achievement of goals and objectives.

Human Relations: Strives to develop and maintain excellent rapport with personnel under charge. Listens to and considers their suggestions and complaints, and responds appropriately. Establishes a work environment to promote and maintain mutual respect.

Policy Implementation: Has a clear and comprehensive understanding of policies regarding functions under charge and the function of the organization. Adheres to policies in the discharge of duties and responsibilities, and ensures the same from personnel under charge.

Policy Formulation: Maintains awareness of changes in operating philosophies and policies, and routinely reviews policies to ensure any changes in philosophy or practice are appropriately incorporated into functions under charge. Recognizes and understands the relationship between operating policies and practices and morale and performance. Strives to ensure that established policies enhance same.
